Letter to the Editor 63

Information for Contributors

The Bangladesh Journal of Nutrition is published in June and December of the year by the Institure of Nutrition and Food Science, University of Dhaka-1000, Bangladesh.

The journal publishes original research articles, review articles, short communications dealing with the aspects of nutrition and letters to the editor.

Manuscripts

Articles written in English are accepeted on the understanding that they are subject to editorial revision. Manuscripts should be submitted in quaduplicate type written double spaced, on one side of good quality paper.

References

References should be indicated by consecutive numbers in superscripts in the text and listed sequentially in the bibliography. Examples of format of (1) a periodical and (2) a book follow:

(1) Albanese A. A. Orto L. A and Zavattare N. Biochmical significance of plasma ammonia nitrogen in man with comparison of other criteria of protein nitrogen, Metabolism 1958; 7: 256

(2) Longenecker J.B. Newer Method of Nutritional Biochemistry (A. A Albanese. editor) .Academic Press Inc., New York 1963: 113.

Nomenclature and Abbreviations

1.Standard abbreviations such as mg.C,F. should be used.

2. Terms such as electrocardiogram, ultra-violet should be written in full first time followed by accepted abbreviation (ECG, UV).

Tables

Tables should be carefully constructed so that the data represented may understood easily. All tables must be referred to in the text by arabic numerals in consecutive order as Table 1.Table 2 etc. Every table and every column should be supplied with an appropiate heading. The table number and the title should be placed in a continuous heading above in the data presented.

Figures

All drawings should be made with China ink on white drawing paper. Figues should be referred to in the text in consecutive by arabic numrals as Fig. 1. Fig. 2 etc. original drawings are preferable but photographic prints are also accepted if clear, well printed on glossy paper with strong contrasts.
