Editorial

Bangladesh Journal of Nutrition is published half yearly by the Institute of Nutrition and Food Science, University of Dhaka. This Journal is devoted to the promotion of nutrition policies, dissemination of nutrition knowledge and to create awareness that will eventually contribute to the improvement of nutrition situation of the country. This Journal steps to second volume with enthusiastic support and response from scientists, researchers and educationists from home and abroad. This volume includes the articles of original research, reviews and short communications on nutrition and related subjects.

Contributions and suggestions for further improvement of this Journal will be most welcome.

Editor-in-Chief

BANGLADESH JOURNAL OF NUTRITION

INFORMATION FOR CONTRIBUTORS:

THE BANGLADESH JOURNAL OF NUTRITION is published in June and December of the year by the INSTITUTE OF NUTRITION AND FOOD SCIENCE, UNIVERSITY OF DHAKA, DHAKA-1000, BANGLADESH.

The journal publishes original research article, review article, short communication dealing with the aspects of nutrition and letters to the editor.

MANUSCRIPTS:

Article written in English are accepted on the understanding that they are subject to editorial revision. Manuscripts should be submitted in quadruplicate, type written double spaced, on one side of good quality paper.

A covering letter from the author who will be responsible for correspondence is essential. Articles are accepted for publication only when they are submitted solely to this journal. The top page should include title with name and address of the contributor(s). Introduction, Materials and Methods, Results, Discussion, Summary, Acknowledgements and References should be started from second page.

REFERENCES:

References should be indicated by consecutive numbers in superscripts in the text and listed sequentially in the bibliography. Examples of format for (a) a periodical and (b) a book follow:

- (a) Albanese, A.A., Orto, L.A. and Zavattare, N. Biochemical significance of plasma ammonia nitrogen in man with an comparison of other criteria of protein nitrogen, *Metabolism* 7,256, 1958;
- (b) Longenecker, J.B. *Newer Method of Nutritional Biochemistry* (A.A. Albanese, editor), Academic Press Inc., New York, p. 113, 1963.

NOMENCLATURE AND ABBREVIATIONS:

1. Standard abbreviations such as mg, C, F, should be used.
2. Terms such as electrocardiogram, ultra-violet should be written in full first time followed by accepted abbreviation (ECG, UV).

TABLES:

Tables should be carefully constructed so that the data represented may understood easily. All tables must be referred to in the text by arabic numerals in consecutive order as Table-1, Table 2 etc. Every table and every column should be supplied with an appropriate heading. The table number and the title should be placed in a continuous heading above in the data presented.

FIGURES:

All drawings should be made with china ink on white drawing paper. Figures should be referred to in the text in consecutive by arabic numerals as Fig. 1, Fig. 2 etc. Original drawings are preferable but photographic prints are also accepted if clear, well printed on glossy paper with strong contrasts.

SUBMISSION:

All communication related to the journal should be addressed to the Editor-in-Chief, Institute of Nutrition and Food Science, University of Dhaka, Bangladesh.

SUBSCRIPTION RATE:

Bangladesh: Tk. 50, 00 including postage; Other countries U.S. \$ 10 including postage.
