Information for Contributors

The Bangladesh Journal of Nutrition is published in June and December of the year by the Institute of Nutrition and Food Science, University of Dhaka, Dhaka-1000, Bangladesh. The Journal publishes original research articles, review articles, short communications dealing with the aspects of nutrition, and letters to the editor.

Manuscripts

Articles written in English are accepted on the understanding that they are subject to editorial revision. Manuscripts should be submitted in quadruplicate, type written double spaced on one side of good quality paper.

A covering letter signed by author / authors and the author who will be responsible for correspondence is essential. Articles are accepted for publication only when they are submitted solely to this journal. The top page should include - title, running head of article, and name and address of the contributor(s). Name of the article, Introduction, Materials and Methods, Results, Discussion, Summary, Acknowledgements and References should be started from second page.

References

References should be indicated by consecutive numbers in superscripts in the text and listed sequentially in the bibliography. Examples of format of (1) a periodical and (2) a book follow:

- (1) Albanese A. A. Orto L. A. and Zavattare N. Biochemical significance of plasma ammonia nitrogen in man with comparison of other criteria of protein nitrogen. *Metabolism* 1958. 7: 256
- (2) Longenecker J. B. *Newer Method of Nutritional Biochemistry* (A. A. Albanese, editor.) Academic press Inc. New York 1963. p. 113.

Nomenclature and Abbreviations

1. Standard abbreviations such as— mg, C.F. should be used.
2. Terms such as— Electrocardiogram, Ultra-violet should be written in full first time followed by accepted abbreviation (ECG, UV).

Tables

Tables should be carefully constructed so that the data represented may be understood easily. All tables must be referred to in the text by arabic numerals in consecutive order as— Table 1, 2 etc. Every table and every column should be supplied with an appropriate heading. The table number and the title should be placed in a continuous heading above in the data presented.

Figures

All drawings should be made with china ink on white drawing paper. Figures should be referred to in the text in consecutive by arabic numerals as— Fig.1,2 etc. Original drawings are preferable but photographic prints are also accepted if clear, well printed on glossy paper with strong contrasts.

Submission

All communications related to the Journal should be addressed to the Editor, Bangladesh Journal of Nutrition, Institute of Nutrition and Food Science, University of Dhaka, Dhaka-1000, Bangladesh.

Subscription Rate

Bangladesh: Taka 50.00 including postage.
Other countries : U. S. \$10 including postage.
