Submission

Dhaka University Law Journal is interested in original contributions on contemporary or jurisprudentially important legal issues from scholars and professionals. This is a peer-reviewed journal, and papers and critical essays are published only after the author(s) has/have resubmitted the paper in compliance with reviewers' suggestions and recommendations, if there be any.

Two copies of manuscripts should be sent to the correspondence address, and a copy must also be submitted by email attachment to: <lawfacdu@gmail.com>. A covering-letter giving a short biographical note on the author(s) along with a declaration as to the originality of the work and the non-submission thereof to anywhere else must accompany the manuscripts.

Standard articles written on one side of good quality A4-sized papers, double spaced with wide margins, should be of 8,000-10,000 words including footnotes. The contributions must be in journal style outlined below.

References, Footnotes and Layout

The text must contain appropriate headings, subheadings and authoritative footnotes. The footnotes should be numbered consecutively and typed single spaced at the bottom of each relevant page. Citations conform generally to a Uniform System of Citation. Thus the style should be as follows:

Journal Articles: Single Author

Journal Articles: Multiple Authors

[Note: honorific titles (and initials) are omitted. However, M, Md, Mohd and any other abbreviated form of Mohammad which are part of author's name should not be removed. 21 is the volume and 2 is the issue no of the journal. 2010 is the publishing year. Year should be placed in square brackets [] for journals that do not have volume number.]

Books: Single Author

[Note: here 187 is the pinpoint reference. This reference is from the first edition of the book. In the case of editions later than the first, the edition number should be included after the publisher's name. It should appear as: 3rd ed]

The abbreviation 'ibid' should be used to repeat a citation in the immediately preceding footnote. Standing alone, 'ibid' means strictly 'in the very same place' while 'ibid, 231' means 'in the same work, but this time at page 231.' Avoid the use of 'Latin gadgets' such as *supra*, *infra*, *ante*, *Id*, *op cit*, *loc cit*, and *contra*, which are not widely understood. For cross reference and other purposes, following introductory signals can be used: See; See, eg.; See also; See especially; See generally; Cf; But see; See above/below n.
